## PERSONAL DETAILS

Date of birth: 07.04.1985  
Place of birth: Bratsk, Russia  
Citizenship: Russia  
Marital status: Married

3D graphics with specialization in modelling, texturing and rendering in such fields as advertising, games and cinema has been my professional occupation for more than 8 years. I worked both in Russia and abroad, have experience of work on projects for such big companies as Danone, Google, Czech Television, Pragofilm, Tesco, Mail.ru, and others. I have perfect skills of working in ZBrush, 3D Max, Vray and other software. I am always open for new connections and cooperation.
